

VENUE HIRE AT THE HOUSE OF ST BARNABAS

The House of
St Barnabas

LONDON

The House of St Barnabas is a private members' club and charity in the heart of Soho, pledging to break the cycle of homelessness.

Situated on the corner of Greek Street and Soho Square, our Grade I listed Georgian town house is home to a community of members invested in creating an equal and fair society.

Our vision is of a future where lasting good work, a secure home and a supportive network are a reality for those affected by homelessness.

Our mission is to break the cycle of homelessness.

We deliver our mission through our Employment Academy, through which participants experience a holistic programme of long term support, helping them secure good work, a good home and a good network.

Our member's club further deepens our impact by:

- Providing a network for our participants of supportive mentors, employers and friends
- Offering a training ground for those returning to work through real-world work placements in hospitality and office-based roles
- Convening creative conversations across sectors and disciplines working to break the cycle of homelessness

We fund our work through the profit we make from membership, private hire and hospitality, combined with fundraising.

WE HAVE A RANGE OF BEAUTIFUL HISTORIC ROOMS THAT ARE AVAILABLE FOR YOUR PARTIES, CORPORATE EVENTS, CELEBRATIONS AND DINNERS.

From meetings to special private drinks receptions to exclusive venue takeovers, we would love to help create your perfect event.

Private hire is available for members and non-members alike, although members do receive a generous discount on hire fees.

All of our spaces are also available for photography and filming.

FOOD IS AT THE HEART OF ALL MEMORABLE EVENTS.

We're able to cater to a wide range of tastes and preferences. No matter how formal or informal your plans, our Head Chef and hospitality team can provide a menu that works for you – including excellent vegan and vegetarian options, plus fresh herbs grown in very our own garden.

Whether your culinary style is croissants and coffee, beers and bowl food or a lavish sit-down dinner, we'll work with you to create an unforgettable menu.
